**Jim Hinckley : Travel Route 66: A Guide to the History, Sights, and Destinations Along the Main Street of America** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Travel Route 66: A Guide to the History, Sights, and Destinations Along the Main Street of America:

2 of 2 people found the following review helpful. Excellent for our tripBy StarchildExcellent for our trip. Read along the way and was very informative and fun filled with history, facts and places to see. I would definitely recommend. It made the trip fascinating.0 of 0 people found the following review helpful. Wrong book for meBy carolynIt's not what I expected. I was looking for a history book on the Rt 66 in New England.0 of 0 people found the following review helpful. Route 66 GuideBy P. ClarkMy wife and I are planning a trip west and plan on taking part of Rt. 66 to California. This book seems to have a great amount of information that would make it useful during this trip.

Long one of Americas most cherished byways, Route 66 remains a popular tourist attraction and travel route for thousands of travelers every year. While stretches of the once-glorious road have been paved over or bypassed by the interstates, the journey from Chicago to Santa Monica along the path of the double six remains chock-full of unique roadside attractions, spectacular natural landscapes, and fascinating historical landmarks. Communities throughout each of the eight states touched by the Main Street of AmericaIllinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona, and Californiahave embraced this vital piece of American history and offer a vast array of opportunities to experience the grandeur as well as the lost innocence of the glory days of Route 66.

"Middle America and London are travel destinations as different as any two can be, but these guides are equal in their enthusiastic coverage." ?"Travel Roundup: Spring Travel Guides, 2014, Booklist
