2 of 2 people found the following review helpful. Ohio - TravelBy Donald D. HorstI have found this series of guides useful for many places. The Ohio guide is accurate and up to date. The lodging and dining suggestions were very helpful, and I used many of them to my satisfaction. Highly recommended.

This completely revised and updated edition features a range of special-interest itineraries in Ohio, such as an Underground Railroad tour, a Presidents' Path tour, and more. Each listing includes an estimate of how long it takes to visit each sight, making it simple to plan a trip.
