4 of 4 people found the following review helpful. InfoBy Karyl Maiorana Plenty of info on lodging and parks not enough about restaurants with outside dining so you can have your pet with you. Especially in the hot months.3 of 3 people found the following review helpful. great for finding pet friendly places on the roadBy Hasty KateI hadn't 'motedel' it with a dog for thirty years, as we normally travel by RV, so it was with some trepidation that we decided to

take the car to a family reunion 1800 miles away. This book was a life saver. Gave good directions, was very clear on what each place expected and how much they charged to allow your dog to stay. Once our corgi got used to the new mode of travel she loved it and we all relaxed and enjoyed the trip. Definitely recommend. 5 of 5 people found the following review helpful. Dont leave home without it! By david birnbaum We just made a second cross country (California to Florida) with our dog and .this makes traveling easy. No problem finding places that take pets and the book is organized so that it's easy to make reservations while on the road so that you can flexible. This site second cross country trip we've made and I wouldnt make another trip with the dog without this in the car.
