Bettina Gutheridge : Travelling Solo to Japan before purchasing it in order to gauge whether or not it would be worth my time, and all praised Travelling Solo to Japan:

Travelling SOLOs are exciting, colourful and informative new titles from Southwood Books. Aimed at 6 - 9 year-olds, it takes the reader on a detailed and colourfully illustrated journey through culture, history, geography and people.

Lively diagrams and drawings illuminate aspects of modern and traditional life in this fascinating country. Subjects are chosen with an emphasis on what is interesting to young readers, and the clear design makes this series of books simple to read and enjoy. It contains an index, glossary, map and list of "did you know?" facts. Written and illustrated by the talented Bettina Guthridge.
