William Bartram : Travels Through North And South Carolina before purchasing it in order to gage whether or not it would be worth my time, and all praised Travels Through North And South Carolina:

1 of 1 people found the following review helpful. Fascinating travelogue of the early days of the southBy Book LoverVery rich in detail and description - the Carolinas are vibrantly alive in this impressive travelogue. I highly recommend it.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

About the AuthorBartram is renowned as one of the first early American Naturalists
