**John Steinbeck : Travels with Charley in Search of America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Travels with Charley in Search of America:

0 of 0 people found the following review helpful. Terrible Product Far Below ExpectationBy CustomerI spent the

money to purchase a hardcover version of this great book. It cost about \$25. The cover was fine but the printed pages were on extremely poor quality coarse paper such as you would find in a cheap paperback. This is by far the most disappointing purchase I made on . I already have a 1962 paperback copy. I was purchasing this to keep it and reread it every now and then. I was excited to open the package and see my purchase. What a disappointment.3 of 3 people found the following review helpful. 6 StarsBy San Francisco BaggerI'd give 'em if I could. "Travels with Charley" is one of those books that gets better every time I read it.50 years after it appeared, it is becoming a window on America at the beginning of a pivotal time, which gives it a poignant feel, especially near the end. I've been to the Steinbeck Center and checked out the restored Rocinante as well as the great old GMC 3/4 ton truck it's mounted on...I'd have like to have looked through it at the end of the journey.The Kindle edition I purchased is just fine: easily navigated, as usual.0 of 0 people found the following review helpful. Still relevant in 21st century USABy SawyerThis is an excellent book. I am particularly struck by how some of the same kinds of stereotypical behaviors associated with American regions still hold true 50+ years later. The conclusion of the book is heart-breaking, as the narrator/author encounters the sick, repulsive racism of the south.

An intimate journey across America, as told by one of its most beloved writers To hear the speech of the real America, to smell the grass and the trees, to see the colors and the lightthese were John Steinbeck's goals as he set out, at the age of fifty-eight, to rediscover the country he had been writing about for so many years.With Charley, his French poodle, Steinbeck drives the interstates and the country roads, dines with truckers, encounters bears at Yellowstone and old friends in San Francisco. Along the way he reflects on the American character, racial hostility, the particular form of American loneliness he finds almost everywhere, and the unexpected kindness of strangers.

Pure delight, a pungent potpourri of places and people interspersed with bittersweet essays on everything from the emotional difficulties of growing old to the reasons why giant sequoias arouse such awe. The New York Times Book Profound, sympathetic, often angry . . . an honest moving book by one of our great writers. The San Francisco ExaminerThis is superior Steinbecka muscular, evocative report of a journey of rediscovery. John Barkham, Saturday SyndicateThe eager, sensuous pages in which he writes about what he found and whom he encountered frame a picture of our human nature in the twentieth century which will not soon be surpassed. Edward Weeks, The Atlantic Monthly From the Back CoverIn September 1960, John Steinbeck and his poodle, Charley, embarked on a journey across America. A picaresque tale, this chronicle of their trip meanders along scenic backroads and speeds along anonymous superhighways, moving from small towns to growing cities to glorious wilderness oases. Travels with Charley is animated by Steinbeck's attention to the specific details of the natural world and his sense of how the lives of people are intimately connected to the rhythms of nature - to weather, geography, the cycles of the seasons. His keen ear for the transactions among people is evident, too, as he records the interests and obsessions that preoccupy the Americans he encounters along the way.About the AuthorJohn Steinbeck, born in Salinas, California, in 1902, grew up in a fertile agricultural valley, about twenty-five miles from the Pacific Coast. Both the valley and the coast would serve as settings for some of his best fiction. In 1919 he went to Stanford University, where he intermittently enrolled in literature and writing courses until he left in 1925 without taking a degree. During the next five years he supported himself as a laborer and journalist in New York City, all the time working on his first novel, Cup of Gold (1929).After marriage and a move to Pacific Grove, he published two California books, The Pastures of Heaven (1932) and To a God Unknown (1933), and worked on short stories later collected in The Long Valley (1938). Popular success and financial security came only with Tortilla Flat (1935), stories about Monterey's paisanos. A ceaseless experimenter throughout his career, Steinbeck changed courses regularly. Three powerful novels of the late 1930s focused on the California laboring class: In Dubious Battle (1936), Of Mice and Men (1937), and the book considered by many his finest, The Grapes of Wrath (1939). The Grapes of Wrath won both the National Book Award and the Pulitzer Prize in 1939.Early in the 1940s, Steinbeck became a filmmaker with The Forgotten Village (1941) and a serious student of marine biology with Sea of Cortez (1941). He devoted his services to the war, writing Bombs Away (1942) and the controversial play-novelette The Moon is Down (1942). Cannery Row (1945), The Wayward Bus (1948), another experimental drama, Burning Bright (1950), and The Log from the Sea of Cortez (1951) preceded publication of the monumental East of Eden (1952), an ambitious saga of the Salinas Valley and his own family's history.The last decades of his life were spent in New York City and Sag Harbor with his third wife, with whom he traveled widely. Later books include Sweet Thursday (1954), The Short Reign of Pippin IV: A Fabrication (1957), Once There Was a War (1958), The Winter of Our Discontent (1961), Travels with Charley in Search of America (1962), America and Americans (1966), and the posthumously published Journal of a Novel: The East of Eden Letters (1969), Viva Zapata! (1975), The Acts of King Arthur and His Noble Knights (1976), and Working Days: The Journals of The Grapes of Wrath (1989).Steinbeck received the Nobel Prize in Literature in 1962, and, in 1964, he was presented with the United States Medal of Freedom by President Lyndon B. Johnson. Steinbeck died in New York in 1968. Today, more than thirty years after his death, he remains one of America's greatest writers and cultural figures.
