From American Map Corporation : Travelvision State Ohio (Travelvision State Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Travelvision State Ohio (Travelvision State Maps):

This Ohio map features points of interest, airports, camping facilities, parks, selected local attractions and more. State maps feature insets of major cities. Our city map offers additional detail, with depiction of streets on one side and a large scale metro area road map on the other.
