**Gilian Wohlauer : Treasures of the Museum of Fine Arts, Boston (Tiny Folio)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Treasures of the Museum of Fine Arts, Boston (Tiny Folio):

0 of 0 people found the following review helpful. Handy to review before visiting museum! By Rebecca Jean Great little book, useful as a guide to the museum. Also- the color reproductions are wonderful! Just so you know: its about 3.5 in X 3.5 in and about 1.5 in thick...this makes it ideal to bring along in one's purse! 2 of 2 people found the following review helpful. A Great Introduction By Jane Austen This is a darling little picture book that shows some of the most important works housed in the Museum of Fine Arts. The only reason that I can't recommend this little book with 5 stars is that it's missing a few of my personal favorites. However, it's the perfect little keepsake book for art lovers and collectors of all things Boston.

This little volume gathers together the finest treasures of the Museum of Fine Arts, Boston, one of the oldest museums in America and one of the greatest encyclopedic museums in the world. Founded in 1870, the museum features Classical antiquities of exquisite beauty, rare and beautiful Egyptian works, Asian holdings unrivaled in the West, and

an outstanding French Impressionist and Post-Impressionist collection. With notable examples of contemporary art and photography, and many of the most important works of American decorative arts, including an unsurpassed Revere silver collection, this tiny yet comprehensive book offers a visual feast of world art.

From the Back Cover This little volume gathers together the finest treasures of the Museum of Fine Arts, Boston, one of the oldest museums in America and one of the greatest encyclopedic museums in the world.
