Monica Thrash, Brandon Seidl : Trimper's Rides (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trimper's Rides (Images of America):

Five Stars By Adrienne Dee Lots of pictures and history of one of the greatest old school amusement parks on the east coast. 1 of 1 people found the following review helpful. Third Volume of Images in America - Ocean City, MD By Kenneth Stratemeyer I think this is a fine companion to the two volumes of Images of America on Ocean City, Maryland. It focuses on arguably the centerpiece of Ocean City's famous

Boardwalk - Trimper's Rides. Granted, there are some pictures that are featured in both this volume, and the other two OC, MD books, but it's well worth it, especially for the chapter on Bill Tracy's famous Haunted House. 2 of 2 people found the following review helpful. Five Stars By EARL FLETCHER Quick read I learned some interesting things i did not know

No trip to Ocean City, Maryland, is complete without a visit to Trimpers Rides. The unforgettable bright lights, carousel music, and elated screams from riders on the Tidal Wave are cherished memories for generations who return to the park annually. The evolution and success of Trimpers Rides embodies the American dream. It began when an enterprising German immigrant named Daniel B. Trimper and his large family took a chance on a little-known seaside town. They built a top-notch family-entertainment experience that continues to delight visitors today. The Trimpers rebuilt after storms, endured wartime challenges, and experienced periods of rapid growth and prosperity. Trimpers Rides chronicles this journey with nostalgic images of past attractions and the people who made Trimpers Rides the destination for family fun.

About the Author Monica Thrash, a longtime resident of the Eastern Shore and proud supporter of the Ocean City Museum Society and the Edward H. Nabb Research Center for Delmarva History Culture, has worked closely with Trimpers Rides while researching the fascinating history of the Trimper family. Brandon Seidl is the creator of ochh.net and cocreator of BillTracyProject.com. The many unique images in this book were selected from the Trimpers Rides archive and from private collections to capture the spirit of this beloved amusement park.
