**Lynn Byer : Trouble in Paradise** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trouble in Paradise:

2 of 2 people found the following review helpful. A Great Fun and Delightful Read!By RuthThis was such a fun book to read! I've never been on a cruise, but through this book, I got to go on one. The author paints such a vivid picture of the activities on board the ship and the sights and sounds of the islands that I felt as if I was really there, experiencing everything. But that is just one big plus for this light, contemporary romance.I liked David Parker right away, and the

author went right into the chemistry between him and Kelly Johnson. I love it when authors get right into the action. The attraction was immediate, but David vowed to spend the week watching another woman: Alicia. The question, of course, was why. Even more intriguing than wondering how David and Kelly were finally going to get together was the question of what David and Alicia were doing together. That sub-plot, by the way, was not overdone. The pacing was just right, as was the moment when David and Kelly finally admitted their feelings to each other. Kelly had her worries about what would happen after the cruise, and I enjoyed that too because it struck me as a very realistic question that any woman would have if she met this incredibly sweet and sexy man for a whirlwind romance! I definitely recommend this book for anyone who wants a light, romantic read with a touch of mystery (why David was with Alicia) and terrific sizzle! 0 of 0 people found the following review helpful. A trip to paradise! By Karen Kiefer I just finished reading Trouble in Paradise, and I loved every minute of it! I thought the romantic leads, Kelly and David, had excellent chemistry. I thoroughly enjoyed their conversations, and found myself smiling the whole way through. I've never been on a cruise before, but I felt like the writer really took me on a trip! It had a few twists and a very satisfying conclusion! For anyone looking for a good romance, I definitely recommend this. It would be a perfect relaxing beach read! 2 of 2 people found the following review helpful. Fun Read won't disappoint. By Customer From the start the book kept my interest. The characters are so very real and seem like people that you know. Well written, great discription you could just picture yourself on the ship and the various Ports of Call. Really enjoyed this and hope that the author has another book coming soom. It was a very pleasant surprise as I bought the book because it was so inexpensive.

TROUBLE IN PARADISE is what Kelly Johnson wants to avoid. She goes on a Caribbean cruise with her pregnant sister to relax and escape from reality for a week. David Parker goes on the same cruise. He has an agenda and one woman on his mind. Then he meets Kelly. Romance can be complicated. ABOUT THE AUTHOR - Lynn Byer is an avid reader and proclaims cruises are her favorite vacation. She lives in South Florida and cruises often to the Caribbean from Port of Miami and Port Everglades. She hopes you'll enjoy her cruise romance novel. Bon Voyage! Please check out Lynn Byer's romance DAISIES NEVER LIE, also sold on Amazon.com. Please visit Lynn's website at [lynnbyer.com](http://lynnbyer.com) and blog at [lynnbyer.wordpress.com](http://lynnbyer.wordpress.com).

About the Author I live in South Florida but am originally from New York and still have a special place in my heart for the Big Apple. Cruising is a passion of mine that allows me to escape from everyday reality and a stressful profession of court reporting. Whether we are cruising out of Port Everglades or Port of Miami, it is always a vacation to remember. My first cruise was in 1979, through two hurricanes (now there's a story); yet, I've only become more enamored and enchanted with cruising over the years. I have an amazing, supportive husband and a wonderful adult son, who keeps me young. My two loving poodles continually teach me about what's important in life ... unconditional love, family, and enough treats to get me through the day. Reading, writing, and cruising are my passions. Please visit me at my blog address of [lynnbyer.wordpress.com](http://lynnbyer.wordpress.com) and my website at [lynnbyer.com](http://lynnbyer.com). I love to hear from readers! I am the author of Trouble in Paradise and Christmas in Paradise, cruise romances, and Daisies Never Lie, a romance on dry land.
