Ken J. Albert : Trout Fishing California before purchasing it in order to gage whether or not it would be worth my time, and all praised Trout Fishing California:

0 of 0 people found the following review helpful. A good book with lots of useful informationBy Txgunnut45A good book with lots of useful information. I wish he would have spent a little more time on bankfishing techniques and spinning gear. But still a good resource.0 of 1 people found the following review helpful. Great InformationBy Robert HHow, Where, When about trout fishing in California. Great tips on equipment, technique, baits, lures, flies, etc. Highly recommend to established and new trout anglers1 of 2 people found the following review helpful. Great bookBy Robert JacksonThis was gift for a young marine who served in Iraq and Afghanistan and his wife who have taken up fishing together she asked me for some pointers and I told her I had just what she needed. I have both the bass and trout fishing Californian books since the orig printing and fished and caught all over the state these are great books on the basics with some advanced techniques

Fishing for Trout in the state of California
