Jimmy Jacobs : Trout Streams of Southern Appalachia (Regional Fishing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trout Streams of Southern Appalachia (Regional Fishing):

0 of 0 people found the following review helpful. Not so hot!By James Allen ArledgeJAcobs did a good job of collecting and marshalling his facts, but if you were expecting solid on the stream accounts of actually fishing the streams he covers you will disappointed.0 of 0 people found the following review helpful. great guide to NC mountain streamsBy Glen R. Scott Jr.excellent guide to the mountain streams, still good after all these years.3 of 3 people found

the following review helpful. A thorough guidebook...By F. HandyIf Jimmy Jacobs has written a book on a subject of interest to you, buy it. His guide books on southern trout fishing are thorough, concise and leave the reader prepared to catch fish regardless of the destination. He gives you all the information you need to be in position to succeed...the rest is up to you.

When Trout Unlimited rated the 100 best trout streams in the United States, nine of its choices were in the southern Appalachians. In this updated second edition, veteran angler and writer Jimmy Jacobs takes you to these famous rivers and to many lesser-known waters in this five-state region. In preparing this guide, which now includes a chapter on the New River system of North Carolina, he drove more than 25,000 miles, hiked hundreds more, and consulted with state fisheries managers and knowledgeable local anglers to bring you the most thorough and reliable inside information available. Features include: 28 chapters on the regions major river systems; clear maps and detailed access information for each river and its productive tributaries; information on hatches and the most effective patterns for each stream; discussion of casting and wading conditions; coverage of adjacent regions, including the Cumberland Plateau of Kentucky and Tennessee and the Carolina foothills.

[A] must for anybody who takes along fly-fishing gear when traveling, or a fly-fisher newly transplanted in the region. -- Art Lander Jr., Herald-Leader, Lexington, KY
About the AuthorGeorgia-born Jimmy Jacobs has been fishing the streams and rivers of the southern highlands for 25 years. Publications Editor for Game Fish Publications, he has contributed articles to Fly Fisherman, Georgia Sportsman, and many other magazines. He lives in Smyrna, Georgia.
