Eric Ethier : True Crime: Massachusetts: The State's Most Notorious Criminal Cases before purchasing it in order to gage whether or not it would be worth my time, and all praised True Crime: Massachusetts: The State's Most Notorious Criminal Cases:

0 of 0 people found the following review helpful. true crime cases of MABy kimbIntense true crime book that happened in MA.This book will have you on the edge of your seat. Chapters include everything from the Boston

Strangler to Big Dans Rape Case that inspired the movie The Accused and also the page by page horror of The Stuart Murder Case. I remember that so clearly as I was 21 at that time and you wonder what would make Charles kill his beautiful wife Carol and have the doctors remove all life support for him and Carols son Christopher. Trust me this book will have you on the edge of your seat. 0 of 0 people found the following review helpful. ScantBy William C. Dwyer Interesting stories but I found the accounts scant and basic. Just about everything written could have been found in local newspapers. Still crime and murder stories are always compelling. If for nothing else, readers will get an opportunity to hear about some heinous tales. 0 of 0 people found the following review helpful. Four StarsBy paul peterson A very easy to read book true crime stories are always interesting

The harsh discipline of Puritan life bred the hard-bitten and hard-working people of Massachusetts, but did it also breed a unique type of criminal? This book explores the headline crimes of the state to find an answer. Included are the cases of the alleged ax-wielding Lizzie Borden, the executed anarchists Sacco and Vanzetti, the legendary Brink's robbery, the mysterious Boston Strangler, the Big Dan's spectator rape, the desperate college professor who murdered a young prostitute, and the fur salesman who slaughtered his wife and unborn child in cold blood.

About the Author Eric Ethier is a freelance history writer whose articles have appeared in the magazines American History, Civil War Times, and America in WWII. He lives in Narragansett, Rhode Island.
