**Bob Meyer, Diane Meyer : Truth, Teeth, and Travel, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Truth, Teeth, and Travel, Vol. 1:

Plunge into true-life, pulse-racing tales of adventures around the globe. Dr. Bob Meyer, ex-Army commander and dentist, and his wife, Diane, a nurse and educator, decided to go on a quest-to support faith-based organizations through their gift of dentistry and satisfy their own passion for travel by making a difference in the world, one life at a

time. Capture the spirit of joyful service that triumphs over cultural, political, and socio-economic barriers as you experience African adventures, Latino flair, post-Soviet ploys, and Asian allure amidst exploits on small planes, jeeps, rickshaws, and yaks. Who knew that combining truth, teeth, and travel could be so tantalizing and rewarding? Lively, real, informational, and relatable, the TRUTH, TEETH, AND TRAVEL series inspires you to discover and follow your own unique calling to wisely make a difference in the world.-RAMONA CRAMER TUCKER, Former Editor, Today's Christian Woman and Executive Editor, Virtue (Christianity Today, International), Former Senior Editor, Tyndale House Publishers. A heart-warming-and at times, heart-wrenching-story that spotlights the joys, the love, and sometimes the challenges and friction of mission trips.-SHARYN MARKUS, MA, MLS, Executive Director, Colorado Springs Dental Society. Merges exotic cultures and people who have a passionate desire to both heal physical pain and bring spiritual healing to the world. A must-read for dental professionals and others considering dental mission work.-DR. RANDY SANDERS, Past president and board member of the Christian Dental Society.
