**Scott D Butcher : Tucson Perspectives** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tucson Perspectives:

0 of 0 people found the following review helpful. Views of TucsonBy Andrea K.Good pictorial book of Tucson, AZ, but wish it had included pictures of the murals along Broadway. Good views of the government buildings.

Tucson, Arizona, is home to a diverse population that lives in tandem with the environment. It's also where the high Sonoran Desert gives way to towering sky islands to create one of the most picturesque settings to ever host a major metropolitan era. With 117 eye-catching photos, this historic city comes to life. Tour Barrio Viejo, Tucson's oldest neighborhood, and visit the La Pilita Museum, Fox Tucson Theatre, and Hotel Congress - where the infamous John Dillinger stayed. See the historic Mission San Xavier del Bac and the popular Arizona-Sonora Desert Museum while taking in the breathtaking landscape, including Mount Lemmon, that has captivated both residents and tourists for centuries. A great keepsake that you'll enjoy viewing again and again.
