Rand McNally : Tucson (Rand McNally Easyfinder) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tucson (Rand McNally Easyfinder):

0 of 0 people found the following review helpful. Incomplete mapBy Peggy RinardThe map did not show the entire city of Tucson, including Catalina Foothills, which is what we needed. So it was of no value and we discarded it. If we had known it was incomplete, we would not have bought it.0 of 0 people found the following review helpful. Outstanding map tool for home or the road!By cookin' dudeNifty map tool, easy to use on the road while driving or reviewing the larger "picture" at the computer small screen. We used it 3-4 times daily during our 5 day stay in Tucson. Well done Rand McNally!
