Jennifer Hellings : Twenty-Seven Years in Alaska: True Stories of Adventure in the Alaskan Wilderness before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty-Seven Years in Alaska: True Stories of Adventure in the Alaskan Wilderness:

0 of 0 people found the following review helpful. EnjoyableBy wweinPersonally, I enjoy stories about people's

adventures in the wild. This was light and entertaining. Jennifer shares many of her adventures exploring various parts of Alaska on foot and by kayak mostly.0 of 0 people found the following review helpful. Enjoyed itBy SuePleasant read with interesting anecdotes about life and travel in rural Alaska. Lots of wildlife, especially moose and the occasional bear.2 of 2 people found the following review helpful. Just okBy Kindle CustomerIt appeared that the author kept a daily journal and turned it into a book. Not very exciting but some parts interesting and others just daily life in Alaska.

Twenty-Seven Years in Alaska is the story of one womans adventures in the remote wilderness of the north. From canoe camping next to unnamed lakes, to kayaking in Alaskas pristine waters, she describes her many encounters with the bears, moose and other animals that make this wilderness their home. With her partner David she helped to build a cabin on a remote piece of property, off the grid and accessible only by boat. Illustrated with the photos she took along the way, her story is sometimes comic, and sometimes tragic, but throughout its pages she speaks with the voice of one who loves nature and the wilderness.
