*Twin Cities Haunted Handbook* is the newest book in the *Haunted Handbook* line within the popular *America's Haunted Road Trip* series. The *Haunted Handbooks* are city-specific travel guides to nearly one hundred places within a major city. *Twin Cities Haunted Handbook* is written with the ghost enthusiast in mind. All 100 chapters contain information on the history as well as the haunting surrounding each location, as well as detailed directions on how to locate each site. Many of the chapters also contain insider information that only a local would know, making it easier for ghost hunters to investigate. Ghost hunters Jeff Morris, Garrett Merk, and Dain Charbonneau explore all the best haunted locales Minneapolis has to offer, including Dead Man's Pond, Memorial Pet Cemetery, Padelford Packet Boat Company, the Old Jail Bed and Breakfast, and St. Thomas College and the Legend of the 13 Graves. Each two page entry includes directions from downtown, an historical overview of the haunted place, the story of ghostly doings in that place, and advice on visiting the place yourself--if you dare.
