Traveling with a horse and finding a place to board it overnight is made easier with this comprehensive guide to horse transportation. Stables that board horses on a daily basis are included among the more than 1,000 listings for ranches, fairgrounds, equestrian centers, and farms that will accept overnight boarders. Also listed are bed-and-breakfasts with stable facilities where travelers can stay with their horses. Each listing provides directions, descriptions of hay and feed, and overnight rates per horse. Information on hotels near stables is also provided. Useful tips are given on traveling with a horse, including state-by-state transportation requirements and veterinarian advice.
