**Jim Balzotti : U.S. Stabling Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Stabling Guide:

Traveling with a horse and finding a place to board it overnight is made easier with this reference. It includes not only stables that board horses on a daily basis, but over 1,000 listings for ranches, fairgrounds, equestrian centers, and farms that will accept overnight boarders as well. Additionally, it lists many bed breakfasts with stable facilities where travelers can stay with their horses. Each listing provides directions, an overview, information on hay and feed, and overnight rates per horse. A listing of hotels for humans near the stable is also included. Useful tips are given on

traveling with a horse, including state-by-state transportation requirements, trailering information, feeding, veterinarian advice, local activities or sites, and even campfire recipes.
