Like Another Trip to the Gallery By RNOH This wonderful book includes descriptions and history and provenance of many of the masterpieces and features wonderful color reproduction. I saw the book in Florence at the Uffizi, but they didn't have it in English, so was thrilled to be able to order it from . Highly recommend this book. I can read it and feel like I'm back in Florence again. 0 of 0 people found the following review helpful. Beautiful book. By Romina This is a beautiful book. Well worth the money. It arrived in very good condition!!! 0 of 0 people found the following review helpful. A Fabulous Find By mary lou tosques Bought used for pennies. Could not believe this was the whole catalog/soft cover book. Truly a fabulous find.

This is a magnificently illustrated guide to the entire collection of the Uffizi Gallery - one of the world's most celebrated art galleries. The Uffizi Gallery in Florence is one of the oldest and most famous art museums in the world. First commissioned as offices for the Florentine magistrates by Cosimo de Medici, it is now houses some of the

world's most outstanding works of art. This superb volume offers a comprehensive, detailed, and informative look at the entire exhibited collection of the Gallery - from masterpieces such as Botticelli's "The Birth of Venus" and Caravaggio's "Medusa" to many works of classical sculpture. "The Uffizi Gallery" also provides readers with an insightful look at the gallery's origins and history, as well as discussions about ongoing restoration efforts, and biographies of selected artists.
