Bathroom Readers' Hysterical Society : Uncle John's Bathroom Reader Plunges into New Jersey before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Bathroom Reader Plunges into New Jersey:

0 of 0 people found the following review helpful. Not bad passing timeBy Radar626I adore Uncle John's Readers, and was a bit disappointed in this. Lots of stuff about mobsters, crime, corruption - stereotyping at its best. There were a few gems and a few humorous ones, but overall the book was pretty blah. Usually I read from cover to cover in one sitting. This one I would pick up, read a couple entries, and then put it back down until I came across the book again.0

They are often filled with funny stories and weird facts. Very entertaining!0 of 0 people found the following review helpful. New Jersey Bathroom ReaderBy Pamela J BowlesFun facts about New Jersey! I have family there so will be sure to get them a copy as well. Well done, Uncle John! And I love having it on my Kindle so I can easily search for topics or people.

Uncle John's Bathroom Reader is plunging into another superb state. This time around, it's New Jersey, the Garden State, long proud of its traditions, its history, and its accent. From Jersey tomatoes and blueberries, the Tigers of Princeton and the Scarlet Knights of Rutgers, the songs of the Boss and the Chairman of the Board, the Garden State has long provided a treasure trove of exceptional sons and daughters, legends and folklore, amazing facts and figures-not to mention a wealth of jokes. Whether going "down the shore," getting lost in the Pine Barrens, dining on great cuisine in Newark's Ironbound district, or driving down the Turnpike, traveling around New Jersey captures the imagination. Interesting and entertaining articles cover tons of little-known facts like:* Known as the "Pathway of the Revolution," New Jersey was the site of over 100 battles during the War for Independence.* Mud from a secret South Jersey riverbank rubs the sheen off of every new baseball used in the Major League.* A gas station in Englewood sports a plaque saying "It All Started Right Here." What started there? Frank Sinatra's career. The station sits on the site of the Rustic Cabin where he worked as a singing waiter.
