As the birthplace of baseball, the Boss, and Bubble Wrap, New Jersey has got it all, and Uncle Johns Plunges into New Jersey covers it all . . . in brilliant Technicolor! This cool compendium is full of electrifying trivia and fascinating facts about the Garden State, and this edition is jam-packed with photographs and illustrations too! What kind of information is in these pages, you ask? Read all about what to eat at a diner (breakfast anytime, obviously), Bruce Springsteen and the E Street Shuffle, the parts of Ellis Island that arent in New York, Jersey Boys, Jersey Girls, and the Jersey Devil, and much more! Its the perfect gift for all New Jerseyans whether they were lucky enough to be born in the Garden State or just always wished to be.
