Dennis Spielman : Uncovering Oklahoma's Date Idea Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncovering Oklahoma's Date Idea Book:

Welcome adventurer! In this book you will uncover a wealth of romantic, fantastic, creative, and local places for amazing, fun, and unique dates. Arent you lucky! This book was written with all types of couples and dates in mind to show that there is something fun out there for everyone and to help expand the concept of date night beyond the standard dinner and a movie. This book features various suggestions for a night (or afternoon) out in different parts of Oklahoma, along with pictures and quotes from people about why they think a particular place makes for a great date spot. And while the focus of the book is date ideas, it isnt limited to starry-eyed couples. Feel free to grab some of

your friends, pick an adventure from these pages, and go!
