Mary Karch : Under The Lighthouse: Memories Of Barnegat City before purchasing it in order to gage whether or not it would be worth my time, and all praised Under The Lighthouse: Memories Of Barnegat City:

1 of 1 people found the following review helpful. Old Barney - NostalgicBy SylviaFrom the area and love the history of the area and pictures of a time before my time. Love books and pictures of Old Barney.

This pictorial history of Barnegat Light, N.J. is based on the memories of residents who experienced the early days and changes in this small fishing village on the northern tip of Long Beach Island. Photographs and stories document the fishing industry and the Scandinavian fishing families, historic buildings, and of course its most famous landmark, Barnegat Lighthouse. This book combines images of a past almost forgotten with memories of the residents who will never forget the quaint town that was once called Barnegat City.

"Her words conjure up quaint pictures in themselves... taking the reader though a childhood fascinatingly removed from the Island of today." --The SandPaper
