Seth Kubersky, Kelly Monaghan : Universal Orlando 2011: The Ultimate Guide to the Ultimate Theme Park Adventure (Universal Orlando: The Ultimate Guide to the Ultimate Theme Park Adventure) before purchasing

it in order to gauge whether or not it would be worth my time, and all praised Universal Orlando 2011: The Ultimate Guide to the Ultimate Theme Park Adventure (Universal Orlando: The Ultimate Guide to the Ultimate Theme Park Adventure):

10 of 10 people found the following review helpful. Very useful and accurate  
By LDLewis  
Just got back from Orlando so waited to review until trip was complete. This book was a great resource in planning our trip to Universal Studios and Islands of Adventure. The information was accurate and helpful, especially in deciding what to see first in each day.  
4 of 4 people found the following review helpful. Great book for planning!  
By pclark  
I bought this book a few months ago and have been going through it very well to find out all the info I can. I've never been to Universal Studios before and really want to go for my son's 10th birthday and my birthday in December. Our main goal is to see all of the Harry Potter stuff. Everything else would be an added bonus. One of the things that I had been looking at are the hotels on the Universal property. This book gives you a pretty good outline of the pros and cons of each hotel. I did figure out from this book that you can't use the express pass on the Harry Potter attractions which was the thing that would've been worth it to stay at one of their hotels. The book also goes into detail about all of the rides, how much the food at the various places in the park costs and it even gives you a good day planner. The day planner even has a different agenda for the Harry Potter fans, which is great for us!. Overall the book is very helpful and helping to plan our trip and gives me a pretty good idea on how much money I'll need. Great book! Definitely get it if you've never been to Universal Studios and want something to help give you a good idea of things.  
9 of 9 people found the following review helpful. Very Useful book  
By Nibor  
I bought this book before going to the 2 Orlando Universal Parks with my husband leaving our adult sons at home. We are in our late 50s/early 60s. I read the book before going and looked up several things while down there. I found the book very helpful as I am a person that likes to know things before going. We ate in several of the suggested restaurants and were not at all disappointed.

Universal Orlando, the preferred destination for sophisticated adult fun-seekers and thrill-seeking teens, celebrates its 20th anniversary with the hottest new set of attractions in the business: The Wizarding World of Harry Potter. This new edition not only provides the first printed in-depth reviews of every attraction in Harry's world but adds color photography to better communicate the excitement of Universal's two theme parks, CityWalk entertainment district, and luxury resort hotels.

A definite must read if you plan on visiting any of the parks. --Magical Menagerie, August 28, 2010, by Megan Barrow  
Balanced, not fawning. ... If you are going to Universal this next year, you will find the information...invaluable. --SamLand's Disney Adventures, September 8, 2010, by Sam Gennawey  
If you're seriously considering hitting up Orlando...this unbiased look at Universal Orlando Resort should definitely be included in your calculations. --Joey Inigo, MouseInfo, September 28, 2010  
"Universal Orlando 2011" is damn near indispensable if you're planning on visiting the Wizarding World in the coming year. --Jim Hill, JimHillMedia.com, October 26, 2010  
From the Back Cover

About the Author  
Seth Kubersky is an author, artist, and entertainment professional who has been based in Orlando for fourteen years. After graduating from the College of William and Mary in Virginia, Seth began his career at Universal Studios Florida, where he was a technician for the Ghostbusters, Terminator, and Barney shows, and an entertainment supervisor for Mardi Gras parades, Halloween haunted houses, and other special events. He has been interviewed as a 'theme park expert' on Rudy Maxa's satellite and broadcast radio shows. As an independent theater producer, he has worked on stages across Central Florida, from dinner shows and Fringe Festivals to the Shakespeare Center and Centroplex. His arts entertainment opinion column Live Active Cultures appears in each issue of the Orlando Weekly alternative newspaper.
