Kelly Monaghan : Universal Orlando: The Ultimate Guide to the Ultimate Theme Park Adventure (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Universal Orlando: The Ultimate Guide to the Ultimate Theme Park Adventure (2nd Edition):

10 of 10 people found the following review helpful. Don't go to Orlando without this book !By Matt CramerThis book is the best unbiased, comprehensive compilation of all things Universal on the market. If you are spending any amount of time in Orlando, pick up:1) Universal Orlando (Monaghan)2) The Unofficial Guide to Disney World (Sehlinger)3) The Other Orlando (Monaghan)Ride, Resort, and Restaurant reviews are thorough and right on the mark. After reading this, you'll feel like an "insider" and get the most out of your vacation. You'll recover the cost of this book after reading the first 31 pages. By the end of the book, you'll be able to extend your vacation or put much less of a dent in your credit cards.BTW - The fact that this book is for sale at Universal should be a feather in Universal's cap, not an indictment against this book's accuracy. I wonder if Disney will ever feature the "Unofficial" guide in their stores.6 of 11 people found the following review helpful. Overly cheerleader-ishBy jcsI noticed that this book had practically nothing bad to say about anything in the park. It is extremely enthusiastic about everything (for example, while slightly acknowledging the cheesy nature of the Kong ride, the book just goes on about how pretty the scenery is instead.) It makes it sound like Universal invented the SS Space Shot tower with Dr. Doom's Fearfall, when, in actuality, the same ride was made by many parks first... etc. Do you know what's even better? When I was browsing the Universal gift shops, this book was featured prominently in many of them. If you want the book that Universal wants you to read, get this one.

The very latest on all the new thrill rides, dining, entertainment and shopping in Universal's multi-park/resort hotel complex for the 21st century.

From the PublisherA Move Over Mickey! Universal Orlando is here and Central Florida will never be the same! Universal Orlando is the hip, happening, cutting-edge theme park resort destination for the new millennium.
