Kim Wright Wiley : Universal Orlando with Kids : Your Ultimate Guide to Orlando's Universal Studios, CityWalk, and Islands of Adventure before purchasing it in order to gage whether or not it would be worth my time, and all praised Universal Orlando with Kids : Your Ultimate Guide to Orlando's Universal Studios, CityWalk, and Islands of Adventure:

0 of 0 people found the following review helpful. Fun to read
By Susan K. BettI purchased this book for my grandson so he could plan his vacation in Orlando. I enjoyed reading it too and found some ideas to pass on to him. The book was in excellent condition, shipped promptly and well packaged.
12 of 15 people found the following review helpful. Definately worth the money
By FranI spent two days at Universal last week with my 15 year old son and 3 year old daughter. To put it mildly, they were not interested in doing the same things! This book helped us plan in advance which rides he wanted to ride, places in the parks she would enjoy, and the things we could all do together. By the way she writes, you can tell the author is a mother herself and has realistic ideas about toddlers and teens. My son ended up taking the book and going to some of the roller coaster type rides by himself while I stayed in the play areas. Without a good sense of what to expect, I'm not sure I would have let him split off from us like that, but this book helped us feel like we knew the park before we got there.
12 of 14 people found the following review helpful. Disappointed
By A CustomerI eagerly awaited my copy of this guide book only to be very disappointed with the actual book. The author does not go into any great depth about any of the rides, attractions, or shows. The maps, what few of them there were, are small and cramped. The restaurant and food places did not contain menus as I expected, but, rather, short blurbs on the general kinds of food served. A better choice for the reader would be Kelly Monaghan's "Universal Studios Escape. The Ultimate Guide to the Ultimate Theme Park Adventure," or the sections on Universal Studios in Rita Aero's "Disney World. The Essential Guide to Amazing Vacations."

Your Ticket to Getting the Most from Your Family's Trip to Universal Orlando!
With exciting rides, breathtaking shows, and fun for the whole family, it's no wonder that Universal Orlando is one of the hottest vacation destinations in the nation! Kid-travel expert Kim Wright Wiley has uncovered its most exciting features, including Universal Studios, Islands of Adventure, and CityWalk. She offers touring plans for families with children of different ages and interests, suggests helpful time- and money-saving ideas, and includes insider information on Sea World, Discovery Cove, and other Orlando attractions.
Inside you'll find:
The latest on Universal's resorts
Portofino Bay Hotel, Hard Rock Hotel, and the Royal Pacific Resort
Money-saving tips for souvenirs, meals, and more
Favorite attractions for young kids, teens, and adults
Helpful hints for avoiding crowds and lines at the park
Detailed maps and restaurant guides
And much more!"
An indispensable guide. The realistic approach, insider tips, and advice for families on a budget are essential tools for pre-trip planning." Frederick G. Levine, FamilyFun magazine
