Tom Tipton : Universal Studios Florida: A Great Day at the Movies before purchasing it in order to gage whether or not it would be worth my time, and all praised Universal Studios Florida: A Great Day at the Movies:

3 of 3 people found the following review helpful. Great Resource for Universal StudiosBy R. GarrI have used this book in the past and found it to be a wonderful resource. The gentleman who wrote the book used to work there and it is filled with fantastic tips on which rides to go on first etc. The only problem with this book is that it does not include Islands of Adventure. Since I am hoping to go there again I looked to see if he had written an update, unfortunately that was not the case. However, if you plan to skip Islands of Adventure this is THE book to own.

Tipton, who knows Universal Studios inside and out, has written a guide that helps visitors plan a fun day that every member of the family can enjoy. Filled with hints designed to help readers avoid the pitfalls, the guide includes information on admission, parking, rides, attractions, and more.
