Sam Cook : Up North before purchasing it in order to gage whether or not it would be worth my time, and all praised Up North:

0 of 0 people found the following review helpful. He says the content brings up wonderful memories of trips into the area with his fatherBy global80This was a birthday gift for my son who enjoys fishing and camping in the Boundary Waters Canoe area. He says the content brings up wonderful memories of trips into the area with his father.0 of 0 people found the following review helpful. Boundary WatersBy LarryGreat collection of short stories describing the people, country and wildlife of Minnesota's Boundary Waters area grouped by season. For those outdoor enthusiasts that are familiar with this country, this book provides a nostalgic perspective of what its like to live in the North

Country or "Up North" as the title implies. Very easy and enjoyable read!0 of 0 people found the following review helpful. Up NorthBy Patricia M. MarschallI purchased this book for my husband who has been fishing "up north" for over 60 years. He truly enjoyed the book and has passed it on to our son, an avid outdoorsman. Sam Cook is an excellent writer.

Up North is a certain way the wind feels on your face and the way an old wool shirt feels on your back. It's the peace that comes over you when you sit down to read one of your old trip journals, or the anticipation that bubbles inside when you start sorting through your tackle box early in the spring. In this unforgettable collection of essays, Sam Cook portrays the enchanting North Country as a state of mind as much as a geographical area. Up North captures the mystic moods, seasonal subtleties, and colorful characters that fill the region from the Minnesota canoe country to the vast expanse of the Northwest Territories. Organized by time of year, Up North describes every season's pleasures-- sled dog racing in winter, hooking a northern pike on the first spring fishing trip, building a summer campfire, watching the aurora borealis in fall. Up North is an invitation to explore canoe country through Sam Cook's eyes and your own. "My favorite book for the dreamers or for any outdoor person who enjoys a good story... Sam Cook is a master at weaving a tale."
