From The Alaska Geographic Society : Up the Koyukuk (Alaska Geographic) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Up the Koyukuk (Alaska Geographic):

0 of 0 people found the following review helpful. This is an excellent book of the history of the koyukuk river area By country gardner This is an excellent book of the history of the koyukuk river area. Excellent pictures. The book was in only fair condition and fell apart while reading it. 0 of 0 people found the following review helpful. Alaska Geographic Publication By J. Agnese Great book in a great series of books issued by the Alaska Geographic Society that depict what various regions of Alaska are like. This book depicts the Koyukuk River area, the largest tributary of the mighty Yukon River, and its inhabitants.

Alaska Geographic is an award-winning series that presents the people, places, and wonders of Alaska to the world. Over the past 30 years, Alaska Geographic has earned its reputation as the publication for those who love Alaska. The series boasts more than 100 books to date, featuring communities from Barrow to Ketchikan, animals from bears to dinosaurs, history from the Russian explorers to today, and natural phenomena from the aurora to glaciers. Written by leading experts in their fields, these books are illustrated throughout with world-class photography and include colorful maps for reference.

.com A thorough exploration of the vast drainage of the Koyukuk River, third largest in Alaska. Learn about the land, its wildlife and the lifestyle of the residents of this remote region of north-central Alaska. 152 pages.
