Kay Fellows : Upper Mississippi Valley by Motorcycle before purchasing it in order to gage whether or not it would be worth my time, and all praised Upper Mississippi Valley by Motorcycle:

0 of 0 people found the following review helpful. Highly Recommend hippo_booksBy cfijdmanCondition was better than expected and price was great. I had been looking for this out of print title for while now and am very happy that I was able to find a copy in such good condition at a reasonable price. This was my second great experience with

hippo_books. I highly recommend them. 2 of 2 people found the following review helpful. A fun and beautiful exploration from atop a motorcycle whether alone or in the company of others By Midwest Book Review Upper Mississippi Valley By Motorcycle by Kay Fellows is an informative guide for exploring the areas in Illinois, Iowa, Minnesota and Wisconsin surrounding the Mississippi river by motorcycle. Concisely covering all road systems from the Quad Cities in Illinois and Iowa, and the Twin Cities of St. Paul and Minneapolis, Upper Mississippi Valley By Motorcycle knowledgeably informs readers of the most scenic and majestic roadways, the kindest people in the most friendly stops, and so much more that is useful when traveling all around the "Father of Waters" by motorcycle. Upper Mississippi Valley By Motorcycle is very highly recommended for all readers searching for an interesting and well authored mapping of the Midwest surrounding the Mississippi River for a fun and beautiful exploration from atop a motorcycle whether alone or in the company of others.

Based on a series of trips taken by the author over an incredibly wonderful summer and fall, Kay Fellows takes you along as she explores and describes the less-traveled routes and villages of the Upper Mississippi Valley. She'll guide you through the country between the Quad Cities in Illinois and Iowa and the Twin Cities of Minneapolis and St. Paul, covering adjacent corners of Illinois, Wisconsin, Minnesota, and Iowa. If you are searching for the lesser-known back roads away from heavy traffic, then this is the book for you. If you are tired of the same old tourist destinations, these pages will lead you to explore many out-of-the-way treasures. The byways detailed in this book range from easy rides to roads that will challenge the most experienced biker. Many of the routes take you through spectacular scenery and provide you with an opportunity to enjoy nature. Throughout your trip you will be seeing the "Father of Waters" in all his many moods. You will be awestruck by the views from the top of high cliffs and enjoy a warm welcome from the friendly people in dozens of small towns. So let's rev up those engines and head out to discover the best that the Midwest has to offer!
