**Insight Guides : USA National Parks West (Insight Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised USA National Parks West (Insight Guides):

0 of 1 people found the following review helpful. Good Guide Book for the Western Parks By M. Pumilia I love all the Discovery Channel Insight books! I take them on all my trips. Pictures are beautiful and the maps are very helpful. Great overall guide - even make good coffee table books. Wish there were more updated ones. I think this one will be updated next year - but will be by a different author. 2 of 6 people found the following review helpful. excellent guide By vrvery comprehensive guide about the national parks in the west. Have been using it a lot since I bought it.

For planning your trip or remembering your travels, even for the armchair traveler, the US National Parks West Insight Guide is a worthy companion. Inside this Insight Guide you'll find: \* Evocative, full-color photography on every page

\* Cross-referenced, four-color maps throughout \* A Brief Introduction, including a Historical Timeline \* Lively essays by local writers on the culture, history, and people \* Expert evaluations on the sights really worth seeing such as Escalante, the Sonoran Desert, Big Bend, Mount Mazama and Gila Cliff Dwellings \* Special features spotlighting particular topics of interest including John Muir, Yellowstone's wolves, grizzly bears and ancient forests \* A comprehensive Travel Tips section with listings on the best restaurants, hotels, and attractions as well as practical information on such things as getting around and things to do with children The world's largest visual travel guide series, Insight Guides, in association with Discovery Channel, the world's premier source of nonfiction entertainment, provide more insight than ever. From the most popular resort cities to the most exotic villages, Insight Guides captures the unique character of each culture with an insider's perspective.
