**Brandon Griggs : Utah Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Utah Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series):

0 of 0 people found the following review helpful. Very curious!!By PirateYannaI bought this book for a gift exchange

to give to someone else and after looking through it I decided to buy one for myself. There are things in there that I had no idea even existed and I have lived in Utah over 40 years! There are also things I did know about but it gave more details than I knew. A great book for natives of Utah as well as anyone who has interest in the weirdness that is Utah!0 of 0 people found the following review helpful. Interesting readingBy NatsFanReally interesting reading and nice facts to learn about Utah. I have really enjoyed reading it.5 of 6 people found the following review helpful. Utah CuriositiesBy kannThis book was very interesting as to things along the state of Utah that are curious. There is also some little known histories in the book that are fun to read. The author gives all the information how to find these places along with phone #'s, websites, and directions and addresses which is very nice in case you are curious and what to go see them. I have lived in Utah my entire life and some of these things I have never been to or heard of. He made me curious. But the author seems to be insulting the people he is writing about. He might just be trying to be funny but it seems that he visited these places and talked to these people and then rips on them and the things they have built or the towns that find these things fun and interesting. It would have been better without those comments.

Capture the strange-but-true spirit of Utah with this combination almanac, off-the-wall travel guide, and wacky news gazette. This book is a great read for old-school Utahans, newcomers and anyone else who enjoys humor and local trivia with a twist

From the Back CoverYour round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Beehive State has to offer!
