**Larry Ludmer : Utah Guide (Open Road's Utah Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Utah Guide (Open Road's Utah Guide):

Utah is one of America's favourite vacation destinations. This guidebook sets out to highlight many of its attractions, looking at several of its national parks, and places to hike, ski and swim. Salt Lake City is also covered, its hotels,

restaurants and nightlife reviewed in detail.
