John Toren : Vacation Days: Travels Across Minnesota and Farther Afield before purchasing it in order to gage whether or not it would be worth my time, and all praised Vacation Days: Travels Across Minnesota and Farther Afield:

John Toren, author of the best-selling travel guide *The Seven States of Minnesota*, shares stories of growing up in Minnesota. Read about summers at the family cabin and excursions to obscure corners of the state and to points farther

afield, including the Apostle Islands, the Rockies and Utah's remote canyon country.
