Brian Dalton : Vault Guide to the Top Boston and Northeast Law Firms (Vault Guide to the Top Boston Northeast Law Firms) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vault Guide to the Top Boston and Northeast Law Firms (Vault Guide to the Top Boston Northeast Law Firms):

0 of 0 people found the following review helpful. Good if you don't know much . . .By Brandon E. MillerVery out of date, and more like a pamphlet than a book. It's small. It's a good purchase if you know nothing about the Boston market and want an overview. If you already have a sense of it, move on. Kind of a waste of money in the current crazy economy as the information is out of date as soon as it's published.

In this third edition, Vault profiles the top law firms in the Boston and Northeast markets. Forty-nine firms are covered in in-depth profiles in which associates at the region's most prestigious firms reveal the inside scoop on firm culture, hours, hiring process, training, offices, compensation and diversity. Whether you're a law student or an experienced attorney, this guide gives you access to the best information on the region's top firms.
