Christina Tree, Sally West Johnson : Vermont: An Explorer's Guide, 10th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Vermont: An Explorer's Guide, 10th Edition:

11 of 11 people found the following review helpful. Great guideBy organicmomI used this book when travelling around Vermont last summer. Tons of information on sights to see, outdoor activities, lodging and restaurant. The maps were also very helpful in navigating through the state. I liked the fact that it broke the state up into six main areas so it was easy to find information when I needed it. My only complaint is that they didn't rate things on a star basis so I used this book in conjunction with the Frommer's guide. I recommend getting both because the Frommer's was a bit

skimpy on information about things to do and see. 14 of 14 people found the following review helpful. Chock full of information! By TeaBookLover I just bought this book this week, and it is so packed full of great information. Restaurants, the history of the town(s), routes to take, inns to stay at, sports activities, farms to visit, hotels, special events and dates, shopping, etc... My ONLY complaint is that the pictures are all black and white, and there aren't very many of them. But then again, it never claims to be a photographic portrait of Vermont! Love it. Five stars.

From the green foothills of the Connecticut River valley to the shores of Lake Champlain, from the peaks of the Green Mountains to the far reaches of the Northeast Kingdom, Vermont: "An Explorer's Guide goes beyond Ben Jerry's and the most popular tourist destinations to include towns and communities that are off the beaten path, yet hold special interest and charm to delight travelers of all tastes and budgets. "Vermont: An Explorer's Guide is an indispensable resource for exploring all this unique and intriguing state has to offer.

Our #1 travel tip: Get this guide! -- Yankee Magazine About the Author Christina Tree has written about Vermont's attractions for the Boston Globe for nearly 30 years. She is the co-author of Explorer's Guides to Maine, New Hampshire, and the Berkshire Hills and Pioneer Valley of Massachusetts, and is a contributing editor to the Yankee Magazine Travel Guide to New England.
