**Marilyn Stout : Vermont Walks: Walking Tours of Forty-Three Vermont Villages and Their Surroundings** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Vermont Walks: Walking Tours of Forty-Three Vermont Villages and Their Surroundings:

2 of 5 people found the following review helpful. NOT VERY INTERESTING! By Pat Sprint BORING BOOK WITH NOT VERY GOOD DRAWINGS OF THE VILLAGES. NO COLOR TO SPEAK OF AND NOT WORTH THE MONEY. 0 of 0 people found the following review helpful. Handy, compact and full of useful information By Louis Clark Bought this book for the local library and it goes out all the time. I have used it myself for numerous walking tours. It provides useful maps, and plenty of (accurate) information about the towns. Just what you need for a nice afternoon walking trip.
