Michael Harwood : View From Hawk Mountain, The before purchasing it in order to gage whether or not it would be worth my time, and all praised View From Hawk Mountain, The:

0 of 0 people found the following review helpful. Timeless classic on Hawk Mountain Sanctuary - world-renowned raptor sanctuary and conservation centerBy JeffDon't be put off by this book's 1973 publication date - I'm now a regular volunteer at Hawk Mountain Sanctuary, and I assure you the view hasn't changed...and although there are several books about Hawk Mountain and its history, Harwood's extensive time there and his captivating writing style

make this classic a must-read for anyone who knows Hawk Mountain or the world-renowned sanctuary's work there and worldwide. Also an excellent introduction to raptors and their seasonal migration. Highly recommended.

Book by Harwood, Michael
