Alison Shaw : Vineyard Summer before purchasing it in order to gage whether or not it would be worth my time, and all praised Vineyard Summer:

1 of 1 people found the following review helpful. Excellent Photographer!By Elke MullerI am not from Martha's Vineyard nor have I ever been there; however, after discovering Alison Shaw's photograpy in other books, I knew I had to have this one. She does not disappoint. This is a wonderful book to peruse on gray days with feet up and tea in hand...or summer at the beach...or before retiring for the night. I would highly recommend it.0 of 0 people found the following review helpful. Five StarsBy P. WilsonAnticipating first trip to Martha's Vineyard in late August and these photos help add to our anticipation.0 of 1 people found the following review helpful. damaged more than describedBy trishaThe only good part of this book were the pictures inside. Cover was old and damaged and back had water stains and sun damage. I was giving this as a gift so it was too costly to send back. I just gave her my copy. Very disappointed.

A Martha's Vineyard vacation in book form: more than 100 stunning color photos capture the light, the colors, and the mood of summer on America's favorite vacation island.

.com The affection photographer and Martha's Vineyard resident Alison Shaw feels for her immediate surroundings is clearly expressed in each of her photos of the island. Shaw turns her lens on everything from the architectural details of island houses to fresh blueberries in their crates at the farmer's market and early-morning fisherman at

Sengekontacket. She is not afraid to experiment with various polarizing and density filters, which give her images a range of dreamy effects--purple fog lifting off a lagoon, a fiery orange sunset at Paul's Point--and supersaturated colors. This is Shaw's second book of photography of the Vineyard. Her images are strong and colorful, though not always inventive. Still, readers who share her passion for the Vineyard should be happy to peruse this book.

About the Author
Alison Shaw is the director of graphics and design at the Vineyard Gazette, the art director at Martha's Vineyard Magazine and a photographer for both publications. She is a four-time winner of the New England Press Association Photographer of the Year Award.
