Judy Colbert : Virginia Off the Beaten Path, 10th: A Guide to Unique Places (Off the Beaten Path Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Virginia Off the Beaten Path, 10th: A Guide to Unique Places (Off the Beaten Path Series):

5 of 6 people found the following review helpful. Errors are CostlyBy foleykWhile this was generally a good reference, we found some errors that proved to be costly in time, such as a wrong address that led us to the wrong end

of town, and too late then to see the original Tiffany windows we were looking for. Also, the text is arranged in counties, but there is no map on the county page to know just where that county was, so we didn't know if we were in the area or not. Poorly arranged. 2 of 4 people found the following review helpful. travel in Virginia By Amy F.M. I bought this book for a friend retiring to Virginia, and it is a lot of interesting sites, organized by area, that one might overlook if just going by the maps. He is looking forward to getting to know his new area, and this appears to be a good addition to his guide books and information.

Virginia has much to offer that even the natives don't know about, but you can learn the secrets, visit the sites and discover the quirky facts with *Virginia Off the Beaten Path*. Complete with six maps and six black-and-white illustrations.

From the Back Cover Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, *Virginia Off the Beaten Path* shows you the Old Dominion you never knew existed. Relax in Spa Min-Rale with products inspired by Virginia's own minerals and indigenous botanicals; visit the Trapezium House, a home built with no parallel walls or right angles; or go on a soapbox derby run down Mt. Trashmore. If you've "been there, done that" one too many times, get off the main road and venture *Off the Beaten Path*.
