**Jan Mader : Virginia (Rookie Read-About Geography (Pb))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Virginia (Rookie Read-About Geography (Pb)):

0 of 0 people found the following review helpful. It's good for the LibraryBy TD Mom of 5We bought this book because we were getting ready to move to VA and hoped it would introduce the state to our 5 year old daughter. It's a little boring. Check it out at the library. (Better yet just read it there.) You don't want to spend your money on it.

The popular Rookie Books expand their horizons - to all corners of the globe! With this series all about geography, emergent readers will take off on adventures to cities, nations, waterways, and habitats around the worldand right in their own backyards.

About the Author Jan Mader is the author of several nonfiction books for children.
