Henry Wienczek : Virginia the Capital Region Smithsonian Guides (SMITHSONIAN GUIDES TO HISTORIC AMERICA) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Virginia the Capital Region Smithsonian Guides (SMITHSONIAN GUIDES TO HISTORIC AMERICA):

0 of 0 people found the following review helpful. Five StarsBy Mary J. Moreygreat service and product9 of 9 people found the following review helpful. Best Travel Book I've Ever SeenBy Diane PendletonA friend from Massachusetts was coming to visit us in Virginia and borrowed this book from her local library. It is wonderful. It is clearly written and full of accurate information. We used it a lot both to decide where to go and for reference as questions came up as we travelled. As soon as she left I went immediately to .com to get a copy of my own. The photographs are beautiful but the information is the best ever. There is a lot to cover in Virginia and this book does it well.

Each volume in this series features up to date site information that includes location, visiting hours, phone numbers, and fee information, plus additional travel tips. Maps offers broader views of each area and help plan your own trips of discovery. '
