This is a guide to the best trout fishing spots in Virginia's Blue Ridge Mountains. It provides fly-anglers with information on access, stream conditions and regulations. It takes the reader to streams suitable for every taste and ability level - roadside rivers, pristine mountains creeks accessible only by foot, streams that will challenge the most seasoned anglers, and waters perfect for newcomers to the sport. In this edition, Slone provides information on the burgeoning business of fee fishing on private streams and at sporting lodges.
