Julie Dortch Cragon : Visiting Mary: Her U.S. Shrines and Their Graces before purchasing it in order to gage whether or not it would be worth my time, and all praised Visiting Mary: Her U.S. Shrines and Their Graces:

6 of 6 people found the following review helpful. The book lacks good photographs. I'm glad the book exists however because ...By Jerome P. QuigleyThe book lacks good photographs. I'm glad the book exists however because pilgrimages need to be encouraged. I hope the author will write more books like this.2 of 2 people found the following review helpful. Great resource for our next road tripBy Culper, Jr.Very thorough look at all of the Marian sites in the

50 States. My wife and I are inspired to see how many we can visit. Nicely done. 1 of 1 people found the following review helpful. A little dry. By Raymon Brown Not enough intriguing photos.

The Blessed Mother has appeared under many titles and under many different names. Each of Mary's names and titles reflect a different aspect of her role in the life of the Church and in the lives of her children. Numerous shrines throughout North America have been built to facilitate devotion to Mary under her many titles and numerous graces, and author Julie Cragon has visited many of them with her family. She has discovered that at each site there is a special grace connected to the particular devotion associated with each individual shrine. In this book Cragon captures the experience of visiting these shrines, giving us a personal glimpse into each place. More than a travelogue, *Visiting Mary* is a book that encourages devotion to Our Lady and helps readers to capture her graces in their daily lives.

Julie Dortch Cragon and her husband run St. Mary's Bookstore and Church Supply in Nashville, Tennessee. She is also the author of "Bless My Child", a mother's prayer book, and "Jesus at My Side: 365 Reflections on His Words". Julie lives in Tennessee with her husband, Allen, and their six children.
