Andrew Wetten : Visitors Guide to Baltimore Everything You Need to Know: Places to visit, Where to eat, History, Accommodations, Transport, Maps before purchasing it in order to gage whether or not it would be worth my time, and all praised Visitors Guide to Baltimore Everything You Need to Know: Places to visit, Where to eat, History, Accommodations, Transport, Maps:

Why people use our guide. Not only does this guide make a great souvenir it looks good on any shelf. It is produced in the highest quality gloss. If you are local or if you are visiting from out of State, this guide contains everything you need to know when you are visiting Baltimore. Every featured establishment whether it is a restaurant, attraction or hotel contains a detailed description. If it is a restaurant that you are looking for, with a specific cuisine and ambiance, quiet and romantic or loud and busy, you'll find it here. If you're looking for an attraction that's kid friendly we'll tell you all about it. Taxi's and limo services, kids pages and notes we have it all. Baltimore is truly a wonderful city with so much to offer, we hope that we have captured each little gem, so that your visit is one to remember and that you come

back again...and again..... All this for only \$3.50!!
