About the Author I have always loved music, art, photography, and writing so it was a natural progression that I ended up doing photography and journalism. I enjoy a variety of activities that are great for photographers and writers... Raised on the Central Coast, I enjoy hiking, kayaking, or just driving up the coast. Car shows or just checking out oddball places such as Bubblegum Alley! Thanks for lending me your eyes and ears and have fun exploring some of my books. Don't forget to visit San Luis Obispo County!
