**Steve Moore : Wade Fishing the Rappahannock River of Virginia: Smallmouth Bass and Shad** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wade Fishing the Rappahannock River of Virginia: Smallmouth Bass and Shad:

1 of 1 people found the following review helpful. SIMPLY INCREDIBLEBy Hillbilly1956The amount of detail provided in this book is beyond anything I have ever seen. It is the most amazing description of fishing various spots of the Rappahannock River that I have ever seen. For that matter, it is the most amazing book on fishing anywhere that I have ever seen. I loved it so much, that I purchased the companion book "Wade Fishing the Rapidan River" by the same author. If you want to know where and how to fish the Rappahannock, this is the one and only book you need.0 of 0 people found the following review helpful. Well Done!By Ray RobersonThis is an informative, thorough and well-written book that reflects detailed research and exploration of the areas covered. Great job!0 of 0 people found

the following review helpful. Great book!By Lawrence GibersonLooking to fish the Rap? Then this is a must have book! Great directions, great advice and an easy read.

This is the old version. Look for the new edition (published 2015) that includes updated regulations wading anglers need to understand.

Will get you on the right waters with a minimum of guesswork; you'll spend more time fishing and less time determining right-of-way, hunting down prime access points, or fruitlessly searching for sweet spots. Highly recommended. --Virginia WildlifeAbout the AuthorSteve Moore is an avid, hard-core, terminally addicted fisherman. He was ruined for life when his father introduced him to the sport at the age of 7 while living in Norway as a result of military duty. Chasing trout on mountain streams left an enduring imprint and drive to find new water... something that tortures Steve to this day. Of course, this was preordained since Steve's father (Hal Moore - coauthor of the NYT bestseller, "We Were Soldiers Once... and Young") was fishing in a local bass tournament on the morning Steve was born. His father claims to have had permission to go, but Steve's mother does not remember the actual facts matching that story. The point that he won a nice Shakespeare reel did nothing to mitigate the trouble he was in upon his return.
