From Globe Pequot Press : WalkBoston: Walking Tours of Boston's Unique Neighborhoods before purchasing it in order to gage whether or not it would be worth my time, and all praised WalkBoston: Walking Tours of Boston's Unique Neighborhoods:

0 of 0 people found the following review helpful. HelpfulBy SpotThis is a very good book for the "Do it yourself" traveler. Recommended for anyone wanting a first hand look at Boston.10 of 10 people found the following review helpful. Fun and useful for walkmaniacsBy Magalini SabinaThe arrival to the USA seems to introduce Europeans into a new dimension. You can't do anything without a car! Distances are enormous and walks aren't pleasant because of

the empty sidewalks and high traffic streets. At my arrival at the airport after many years of absence I spotted this pocket guide and bought it right away. What a revelation! It is possible and enjoyable to take a walk in Boston outside the downtown area and actually see many hidden aspects of this beautiful even if sprawled out city. The book is written by a humoristic person that has a first hand experience of what he is talking about and is culturally prepared on history and culture of this town. I enjoyed using this booklet and strongly recommend it to tourists use to "walking down cities" in their desire to know them better. 3 of 3 people found the following review helpful. Wonderful book! By Sun_soull've lived in Brookline for 12 years, and yet I had no idea about all the stairways and passageways this book describes! The book is written by people who know their neighborhoods very well! The only minus I can point out is the maps - they are not very detailed, so make sure to grab an atlas with you or print out the map.

At last, here's a guide to the streets of the real Boston, written by the people who know them best. Compiled by the reputed tour guides of WalkBoston, the city's pedestrian advocacy group, this new guide reveals the secrets and charms of a Boston usually overlooked by other guides-sometimes even by residents themselves. More than 25 walks stretch the usual Boston tourist map and explore the city's unique neighborhoods, sights, and famous suburbs, from the South End's cobblestone sidewalks and the city's revitalized harbor to the hidden hill paths of Brookline. Detailed maps and step-by-step directions, along with historic and cultural highlights, make each walk easy to follow for locals and visitors alike. Distance and difficulty, plus directions by public transportation-by which all of the walks are accessible-are also provided. For weekend visitors, newcomers, and natives, WalkBoston is an essential addition to any explorer's library.

From the Back Cover Here is the ultimate guide to the streets of one of the nation's most historic and fascinating cities, written by the people who know them best. Compiled by the tour guides of WalkBoston, the city's well-known pedestrian advocacy group, this new guide reveals the secrets and charms of the real Boston. Inside you'll find 30 walks that explore the city's unique neighborhoods, waterfronts, and famous suburbs, from the hidden hill paths of Brookline and the South End's brownstones to the bakeries of Roslindale Square. Step-by-step directions, along with historic and cultural highlights, make each walk easy to follow for locals and visitors alike and all are accessible by public transportation. Inside you'll find: 30 walks that explore the real Boston; historic and cultural highlights; detailed maps and step-by-step directions; accessibility to every walk by public transportation. WalkBoston is the ideal guide for locals, newcomers, and visitors alike.
